

HS Choir Draw Order 24-25

(This order will be used for both the HS NV and HS Varsity Evaluation)

This order is subject to change based on accompanist needs, change of time/day requests, and travel needs.

The NV contest will be scheduled in the following order: Sub NV Treble, NV Tenor/Bass, NV Treble, NV Mixed. Groups with athletic conflicts must fill out and submit a request to change time/days by the contest deadline.

If you have a special request due to your accompanist performing at another site on the same days that Region 27 is scheduled, please make sure that is submitted no later than the contest deadline on the request to change time/day form.

The Varsity contest will be scheduled to minimize the number of days a student is absent from school. Unless a written request is received prior to the 30 day deadline, every effort will be made to schedule a school all on the same day-since many students will be performing with two groups. Each day will begin with Varsity Tenor/Bass, Varsity Mixed, Varsity Treble. Groups with testing or athletic conflicts must submit a change of time/day request prior to the contest deadline.
